

Enactus Mount Allison is working on reducing and diverting the number of textbooks going into landfills by repurposing and recycling. We are looking for a student who is passionate about the environment and is action driven to join the Textbook Osmosis project team to assume the Assistant Project Manager position.

#### Job Description

- Work with the Enactus leadership team to develop the project to generate more impact
- Help in the development process of the project
- Manage storage facility and storage boxes

#### Requirement

- Presentation and organizational skills
- Team-player with the ability to work with others (in person or virtually)
- Currently enrolled at Mount Allison and will be returning in the Fall 2022

#### What's in it for you?

This is a volunteer position. Great on your resume. Opportunity to travel for regional and national competitions. Connection to the Enactus Canada eco system (job opportunities, scholarships, bursary, recognition). Most importantly you'll have the opportunity to make positive impact on people and the community through the project.
